25<sup>th</sup> August, 2019.

Dear Sir/Madam,

It is with pleasure that I write this letter. I am Paul Kwofie, a beneficiary of the iSTEPup scholarship scheme. I write to report on my academic progress in the past year.

The second year was such a tough one. We took three courses in the entire second year. The courses were; ANATOMY, BIOCHEMISTRY and PHYSIOLOGY. I could secure a pass mark to enter the third year of my medical school education.

The third year begins on 13 September 2019 and will end around May 2020.

I promise to work as hard as possible to maintain better grades to be the medical doctor I seek to be. I am most grateful for your effort towards my education.

Kind Regards,

**PAUL KWOFIE**
