

Hi lstep up group

Im Allan Y Kaaya a medical student final year in clinical medicine at Elijery college, I was supposed to finished this course September but there some challenged happed so made me to failed to finished on that time.

Im sorry for being late with update but all is due to preparation my preparation for my final internal and external examination , I have come from paediatric practical examination few minutes ago now.

All in all lets mw take this time to thank you all lstep up for still sponsored me while there is this global problems COVID 19 . As I know COVID 19 have destroyed many countries especially economically but you still put you hand to save us medical students with school fees.

Finally I would also thanks my sister Laurah and her family for their motivation including keeping update with what going with lset up.

Lastly I thank my family for their always prayer to me , also my school administration and my fellow .

The result for this semester is not read , this will be combined with final external examination which may start soon next year, so Im so sorry but late take breath once they will be read I will release all that to you .

THANK YOU ALL AND BE BLESSED
