Dear sir/Madam

RE: A REPORT FOR SEMESTER ONE

I MWAGAZI MARION would like to appreciate you for the generous heart that I was chosen to be sponsored to make my dreams come true.

Thanks for the tuition sent and I was able to study well without any problem. I enjoyed it though cut short by the presidential directive on schools closer due to COVID-19 yet we were left with three weeks to do semester one exams.

Yours faithfully
~~Marion~~
