

Update Neema Nakei

20-03-2023

Hi,

I hope you are all fine, I would like to thank you all members of ISTEPUP for your help and support in my studies MY GOD BLESSED YOU, I am fine and doing well with my studies this year for 27 March I will be doing my field practice which will be conducted at MOUNT MERU hospital ARUSHA starting 27 March up to 28/4/2023 which was aiming at providing us students with experience in the pharmacy field and I practice in order to get experience, My studies are going to be resumed for the new semester (semester two (2)) on April 2023 I promise to work hard with a better performance and good result at the end of the semester. I am sorry my message was late because we were in examination and we are now waiting for results after conducting my field practice I will be back to the college then I will send my results to you please forgive me at this time at May 2023 I will send you my results but I am not at the college I am preparing to start field practice at MOUNT MERU hospital.

I truly appreciate your support on my academic for paying my school fees
