

Update Christopher Mbeko – October 2023

I would like give an update on academic progress to the foundation. Now I'm in Fourth year, just finish the first semester and to start second semester on 17 November 2023 and this is the last semester of academic year. I would like to communicate to foundation that will Graduate in 2024 in months of September 30. Lastly, I would like to make appreciation to foundation for their support. Attached is my picture. When I was at Thyolo district hospital clinical attachment for midwifery part 1.
