KAGERA - TANZANIA

TO  
MY DEAR SPONSORS

Kindly I take this opportunity to thank you for more helping to me. For paying school fees which made me to continue with my studies at ST MAGDALENE HEALTH TRAINING INSTITUTE.

Respectively I greet you and congratulate for the new year 2024 also I wish you happy new year.

Last year at September 2023 we did the examination of end of the semester and I performed well by achieving to get GPA of 3.3 and I have attached all the result back.

At April 2024 this year we should go at Community field and data collection which will take around one month and some days. So after that from May 2024 we suppose to start the second semester which will be study the following subject / Module Basic of mental health, Community, midwifery and Communicable disease.

Also at this year around March we are going to start the end of semester one in second year and at August we suppose to do the end of semester two in order to enter the third year 2024-2025 which will start at October 2024.

So let me say thank you for your support and I beg you to continue to help me in my studies and I promise you that I will study hard.

I wish you all the God bless

Your faithfully ~~Jacklina~~
