

## **Student Update Salamatu Angelina Fofanah April 2025**

First and foremost I want to thank iSTEPup Foundation for what you have done for me since I started this programme of becoming a nurse. My past academic year was so challenging and demanding us to work very hard to reach this far all thanks goes to iSTEPup.

Here is a list of the subjects I have been doing during the past academic year:

- Anatomy and physiology 1&2
- Fundamental of nursing 1&2
- Introduction to medical and surgery
- Community Health Nursing
- Behavioral Sciences
- Nutrition
- Communication skills and Information Communication Technology (ICT)
- Biochemistry
- Psychology
- Reproductive Health
- Pharmacology and
- Microbiology

I am proud to say I pass all my modules successfully and now I am in year two doing State Register Nurse (SRN) all praises goes to iSTEPup for helping me financially and morally to reach this point thank you.

I want to assure you that I will do all what it take within my power to through this cause successfully.

This cause has helped me to become more mature as a person now I am able to contribute in my way in the field of medical. I want to further asking for your favor to help me and my colleagues to continue helping us financially to complete this programme which my colleagues and my self will ever be grateful to this foundation.

Thank you so so much for all what you have done for me and my colleagues may God bless and keep you all.

Yours faithfully

Salamatu Angelina Fofanah.
