

Student update Jacklina Theonest – April 2025

To my dear sponsors,

I am very happy to take this opportunity to thank God. Respectively I greet you my dear sponsor also I thank you for your sponsorship to me from the first year 2022 until now nothing I have to you but my words to say thank you for everything.

Also I thank you for paying the school fees of this semester 2024-2025. The first semester started October 2024 It will end up on April 2025. So next week in this month we will start the examinations of end of semester One.

So on April 2025 after the end of semester one, we start the second (last) semester for my diploma of nursing study, And on May 2025 we will go at mental field at a Hospital, it will take around two weeks. At August 2025 we shall celebrate graduation and September we will seat for final examinations. I promise I will continue to struggle to ensure that I got better results during the final examinations.

Yours faithfully,

Jacklina Theonest

To

My DEAR SPONSORS

I am very happy to take this opportunity to thank God who give us dear life.

Respectively I greating you my dear sponsor also I thank you for your sponsorship to me from the first year 2022 until now nothing I have to you but my wards & to day thank you for every thing.

Also I thank you for paying the school fee of this semester 2024-2025. The first semester was started October 2024 it will end up on April 2025 so next week in 10th this month we start the examinations of end for semester one.

So on April 2025 after the end of semester one we start the second (last) semester for my diploma of nursing study. And on may 2025 we will go at mental field at Igabilo Psychiatric hospital at Muleba district it will take around two weeks.

At August 2025 we shall celebrate graduation and September we will seat for final examination. I promise you I will continue to struggle to ensure that I got a better result during the final examination.

I daily I thanking you to my graduation
Yours faithfully JACKELINA THEOMAT
