

Student update Umu Hawa Saffiatu Lawan – April 2025

I am Umu Hawa Saffiatu Lawan from Sierra Leone , Bachelor of science in nursing at Njala university.i will like to take this opportunity to announce that I have promoted to year two. I am a continue student awaiting for my exams which is going to commence on the June th25 and end on the 4th July 2025. And we are going to be posted for our clinical postings which is laboratory rotation at different hospitals for 8 weeks. I wanted to extend my gratitude to iSTEPup foundation organizationyou're your generosity and support for giving me the opportunity to continue with my studies. Honestly, I will for ever be grateful and supportive in the field of nursing, to serve humanity and to save lives in my country and even beyond expectation.

Thank you!

My regards
