

## **Graduation Update Anna Marie - July 2025**

Greetings to the entire organisation of Istep-up

TO WHOM MUCH IS GIVEN MUCH IS EXPECTED!!

With a heart full of gratitude I write to express my deepest appreciation to the entire organisation of istepup, for a trusting and investing in the education of a girl child.

About few years ago I completed secondary school with good grades and had the ambition of becoming a nurse but it didn't come too soon as I wanted it to be , however,God came through a friend ( Naomi) who showed me the necessary steps to reach out to this great organisation for support and lucky I was approved as a scholarship student, Meanwhile, I started studies ( Bachelor of science in Nursing) and eventually I completed my studies last year April , sat my national license exam and passed. Finally graduated in June 2025.

To the entire organisation my family and I are grateful for everything!!

Challenges have always arise during the journey of my education but you as an organisation have always given me all the support I needed to become a NURSE, and this motivated me to work harder and make you all proud.. Thank you for everything

Good news I have started working already in A hospital as a clinical Director (matron). Already eight months in this role. Hoping to specialise in critical care in the near future.

iSTEPup ORGANIZATION to the world !!

ANNA MARIE SAMBOU
