REF:PROGRESSION OF MY STUDIES AT MAYDAY INSTITUTE COLLEGE OF SCIENCE S

Refer to the heading above. My name is ACHILEUS MWESIGA ANGELO a clinical medicine student at Mayday institute collage of sciences . I am a second year student persuing Diploma in Clinical medicine student (CMT).

My plan after finishing my diploma is to help people who seek medical attention care but it would be impossible without your support towards fulfilling my ambitions. Also I would like to advance and gain more experience by studying a degree and become a gynecologist so that i can deal with diseases affecting women become i'm much interested in obstetrics and gynecology.

Yours faithfully
Achileus angelo
