

## **Annual update Isata Balu Koroma – April 2026**

Dear i step up family,

I want to appreciate our administrative Matron and the entire membership for their endless support also kind with motivation in terms of academic wise. For a sustainable development in our life we thank you all very much for letting us join this wonderful family. I may like to inform the I step up family members that am know promoted to third year first semester in proceeding with my studies. Though there is challenges along side with some module's may be I misunderstood the lecture or miscommunication due to work stress. While attending lectures on the other hand. But praise God Almighty for guidance and courage that we have reached this far I hope and pray 🙏 that by the end of our studies we will complete by becoming a graduate of State register nurse under the supervision of our darling matron haja Isatu Mansaray.

Thank you all very much for supporting us to wards our academic struggle may you never lack also unite to sponsor more pupils to study and improve the quality of health in our country and the nation as A whole God Almighty continue to blessed you all.
