Dear I-step up

I want to take this opportunity to express my sincerer thanks and appreciation for the help in paying for my college fee for the past academic year.

The assistance has help a lot and I want to truly say thank you for the privilege you have given to me.

The 2025/2026 academic year is my final in the stated Registered Nurse (SRN). The previous year was so challenging because have to word and pursing this at the same time. I am an individual who not afraid challenge because it has been part of my normal routing. Last year was difficult, working, studying, and practical work to keep me fit for the challenges ahead.

As we finish our promotional exams, the college posted us three months to practicalizer what we have been thought in class, and I was posted in my place of work which Masanga hospital. I am so happy for the posting, it has help me to learn and become matured in the way I handle and care for patients under my supervision.

The coming year will even be more demanding because it involves many reading, study, and practical work which will help us prepare for our school final exams follows by the State Board Examination.

I am determine to work hard to make proud by coming out with flying colors which will help me achieve my dreams of becoming a nurse with a substance and the last thing I will do is to write my case study.

Once a again I want thank i-Step up for the opportunity given to me to achieve my dreams.

Yours faithfully
