TO MY DEAR SPONSORS

I kindly take this time with respect to say thank you for wonderful helpfull in my school of nursing that you helped to me from the begining. No wonder to say thank you and God bless you.

I graduated next year on September 2025 for the level of diploma in nursing and midwifery. Now am at MUGANA HOSPITAL as Volunteer in improving my knowlege in practices in order to have more experience I am at Maternity Ward.

I have ready reseaved my certificates and licences for health practice. So now my ambition is to study anaesthesia something I need from my heart and according to our environment is steel more problem.

YOUR SINCEARY
